

## **CALGAZ Unifies Global Brand, Celebrating 50 Years of Confidence in Calibration**

CALGAZ is proud to announce the official unification of its global business activities, including the transition of the Gasco brand, under the dedicated CALGAZ name. This milestone coincides with the company's 50th anniversary, marking five decades of industry-leading excellence in calibration gas and aligning all activities under one powerful brand operating in 120 countries.

This business transformation is designed to simplify the market presence of specialized calibration gas brands and provide a more customer-centric, international experience. By consolidating into a single identity, CALGAZ reinforces its core promise to every customer: "Confidence in Calibration". Customers can expect the same high-quality products and established service, now backed by a more integrated and efficient worldwide infrastructure.

**Matthew Allen**, President of CALGAZ, states, *"As we celebrate 50 years of industry excellence, unifying our global operations under the CALGAZ brand is a powerful step forward. This transition is about ensuring our customers have total 'Confidence in Calibration' through a unified, safety-focused, and customer-centric brand. By drawing upon our robust global supply chain and the long-standing stability of Airgas and Air Liquide, we are positioning ourselves to deliver even greater value and innovation for the next 50 years"*.

### **Airgas, Inc.**

Airgas<sup>®</sup>, an Air Liquide company, is a leading U.S. supplier of industrial, medical and specialty gases, as well as hardgoods and related products; one of the largest U.S. suppliers of safety products; and a leading U.S. supplier of ammonia products and process chemicals.
